Are you looking for a fun and engaging way to teach your kids about recycling? Look no further than *Am Not Paper Plate*, a new book by author and artist Anne Reeder.

I Am Not a Paper Plate! (Ready-Made Recycling)

★★★★★ 5 out of 5

Language : English

File size : 5366 KB

Print length : 24 pages

Am Not Paper Plate is a colorful and creative guide to ready-made recycling for kids. This book teaches children how to turn everyday items, such as cardboard boxes, plastic bottles, and egg cartons, into works of art. The projects in this book are simple and easy to follow, and they require no special skills or materials.

In addition to being a fun and creative activity, recycling is also an important way to protect the environment. By teaching your kids about recycling, you can help them learn about the importance of taking care of our planet.

Am Not Paper Plate is a great resource for parents, teachers, and anyone else who wants to teach kids about recycling. This book is sure to inspire creativity and a love of recycling in children of all ages.

Projects in *Am Not Paper Plate*

The projects in *Am Not Paper Plate* are divided into four chapters:

- **Chapter 1: Paper**
- **Chapter 2: Plastic**
- **Chapter 3: Metal**
- **Chapter 4: Glass**

Each chapter includes a variety of projects that use different recycled materials. For example, the paper chapter includes projects such as a paper plate mask, a cardboard box fort, and a newspaper collage. The plastic chapter includes projects such as a plastic bottle bird feeder, a milk jug planter, and a CD case pencil holder. The metal chapter includes projects such as a tin can wind chime, an aluminum foil sculpture, and a metal can robot. The glass chapter includes projects such as a glass bottle terrarium, a stained glass window, and a glass jar candle holder.

Benefits of *Am Not Paper Plate*

Am Not Paper Plate offers a number of benefits for children, including:

- Teaches children about the importance of recycling
- Helps children develop their creativity
- Provides a fun and engaging way to learn about art
- Helps children develop their fine motor skills
- Encourages children to think outside the box

Am Not Paper Plate is a valuable resource for anyone who wants to teach kids about recycling. This book is sure to inspire creativity and a love of recycling in children of all ages.
