3. **Help your countrymen, but rectify their faults.** Compassion and support should be tempered with honest criticism, aiming to uplift and empower others.
4. **Cultivate the habit of work.** Industry and perseverance are the keys to both personal achievement and national progress.
5. **Guard your honor and the reputation of your country.** Integrity and dignity are indispensable qualities, reflecting upon both individuals and the nation.

7. **Do not waste your time.** Time is a precious resource, and every moment should be used wisely and purposefully.
8. **Be temperate in your words and actions.** Restraint and moderation are virtues that promote harmony and prevent conflicts.
9. **Be just and always observe the law.** Justice is the bedrock of a stable and equitable society, demanding impartial treatment for all.
