Dive into the Surreal and Satirical World of Peter Bagge's 'Neat Stuff'

Step into the bizarre and thought-provoking world of Peter Bagge's 'Neat Stuff,' a graphic novel that explores the complexities of human nature through a lens of surrealism, satire, and humor. Originally published in 1995, 'Neat Stuff' has become a cult classic among underground comics enthusiasts and continues to captivate readers with its unique blend of absurdity and social commentary.
