

Rain Tonight: The Story of Hurricane Hazel

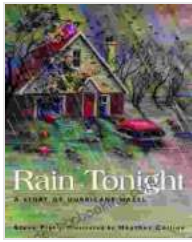

A Devastating Storm

Hurricane Hazel was one of the most powerful hurricanes to ever hit Canada. It made landfall in Toronto on October 15, 1954, with winds of up to 160 kilometers per hour. The storm surge flooded much of the city, and the wind caused widespread damage. Hazel killed 81 people and caused an estimated \$1 billion in damage.

A City Under Water

The storm surge from Hurricane Hazel flooded much of Toronto, including the downtown core. The water reached a depth of up to three meters in some areas, and it caused widespread damage to buildings and

infrastructure. Many people were forced to evacuate their homes, and some were even trapped on their rooftops.

Stories of Survival

Rain Tonight tells the stories of several people who lived through Hurricane Hazel. One of the most poignant stories is that of a young boy who is separated from his family during the storm. The boy wanders the flooded streets for days, trying to find his way home. He is eventually rescued by a group of strangers who take him to safety.

Another story in Rain Tonight is that of a doctor who works tirelessly to save lives during the storm. The doctor works around the clock, performing surgeries and treating the injured. He is eventually able to save many lives, but he is also forced to make some difficult decisions.

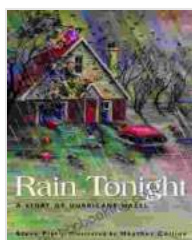

The stories in Rain Tonight are both heartbreaking and inspiring. They show the resilience of the human spirit in the face of adversity. They also remind us of the importance of community and helping others in times of need.

A Must-Read for Canadians

Rain Tonight is a must-read for anyone interested in Canadian history or the impact of natural disasters. The book is a powerful and moving account of a devastating storm, and it tells the stories of the people who lived through it. Rain Tonight is a reminder of the importance of being prepared for natural disasters, and it is a tribute to the resilience of the human spirit.
