Sally Hopgood's debut novel, *See You Later, Alligator*, is a heartwarming and hilarious story about a woman who is diagnosed with a terminal illness and decides to make the most of her remaining time.

After receiving her diagnosis, Sally decides to quit her job, sell her apartment, and travel the world. She wants to see all the things she's always dreamed of seeing, and she wants to do it while she still can.

Along the way, Sally meets a cast of characters who help her to make the most of her journey. There's her best friend, who is always there for her, her eccentric aunt, who teaches her to live in the moment, and a handsome stranger, who shows her that love can be found even in the most unexpected places.

See You Later, Alligator is a story about living life to the fullest, no matter what. It's a story about finding joy in the unexpected, and about the importance of making the most of every moment. It's a story that will make you laugh, cry, and everything in between.
