

Stolen Silver: A Lost Valdemar Legacy Restored

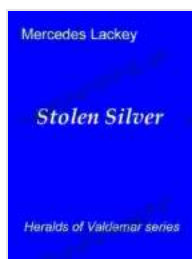

Synopsis

Stolen Silver is the second book in the Collegium Chronicles series by Mercedes Lackey. It follows the story of Savil, a young woman who

discovers that she is the rightful heir to the Valdemar kingdom. With the help of her friends and mentors, Savil must learn to control her newfound powers and claim her throne.

Savil is a young woman with a mysterious past. She was raised in a small village, and she has no memory of her parents. All she knows is that she has always been different. She has strange dreams, and she can sometimes hear voices in her head.

One day, Savil is visited by a group of strangers. They tell her that she is the rightful heir to the Valdemar kingdom. They say that her parents were killed, and that she was hidden away to protect her from those who would harm her.

Savil is shocked by this news. She never knew that she was royalty. But she also knows that she must embrace her destiny. She must learn to control her powers and claim her rightful place as queen.

With the help of her friends and mentors, Savil begins her journey. She must travel to the capital city of Valdemar and face the challenges that await her. She must learn to control her powers, and she must win the support of the people.

Stolen Silver is a story of adventure, magic, and destiny. It is a story of a young woman who must find her place in the world. Savil is a strong and courageous heroine, and she is sure to inspire readers of all ages.

Review

Stolen Silver is a great book. It is well-written and engaging, and it has a great cast of characters. Savil is a relatable and sympathetic protagonist, and her journey is both exciting and inspiring. The story is full of action, adventure, and magic, and it will keep readers on the edge of their seats from beginning to end.

I highly recommend Stolen Silver to fans of fantasy and adventure. It is a great book that will keep you entertained from start to finish.
