

Super Friends: 1976-1981

Super Friends is an American animated television series produced by Hanna-Barbera Productions that aired from 1976 to 1981. The show featured a team of superheroes from the DC Comics universe, including Superman, Batman, Wonder Woman, Aquaman, Flash, Green Lantern, and Martian Manhunter. The team worked together to fight crime and defend the world from various threats.

Super Friends was a critical and commercial success. The show won two Emmy Awards and was nominated for several others. It was also one of the first animated series to feature a diverse cast of characters, including female and minority superheroes. The show has been praised for its positive messages about teamwork, friendship, and heroism.

In 2017, DC Comics released Super Friends: 1976-1981, a comprehensive guide to the classic animated series. The book features in-depth profiles of each character, behind-the-scenes stories from the show's creators, and stunning artwork from the show's archives.

The following is an excerpt from the book:

“Super Friends was a groundbreaking animated series that brought together DC Comics' greatest heroes. The show was a critical and commercial success, and it helped to introduce a new generation of fans to the DC Universe. The show's positive messages about teamwork, friendship, and heroism continue to inspire fans today.”

Super Friends: 1976-1981 is the ultimate guide to the classic animated series. This comprehensive book is a must-have for any fan of Super Friends or DC Comics.

In-depth Profiles of Each Character

The book features in-depth profiles of each of the seven main characters in Super Friends: Superman, Batman, Wonder Woman, Aquaman, Flash, Green Lantern, and Martian Manhunter. Each profile includes information about the character's history, powers, and personality.

The profiles are written by experts on the DC Comics universe, and they provide a wealth of information about the characters. For example, the profile of Superman reveals that he was born on the planet Krypton and that he came to Earth as a baby. The profile also discusses Superman's powers and abilities, including his super strength, speed, and flight.

Behind-the-Scenes Stories from the Show's Creators

The book also includes behind-the-scenes stories from the creators of Super Friends. These stories provide a fascinating glimpse into the development and production of the show.

For example, one story reveals that the creators of Super Friends originally wanted to include Wonder Woman in the show, but they were unable to do so because of a dispute with the character's creator, William Moulton Marston. Another story reveals that the voice of Superman, Bud Collyer, was originally reluctant to take the role because he was afraid of being typecast as a superhero.

Stunning Artwork from the Show's Archives

The book is filled with stunning artwork from the Super Friends archives. This artwork includes character designs, model sheets, and production stills. The artwork provides a unique look at the development and production of the show.

The artwork is presented in full color, and it is of the highest quality. The book is a true visual feast for any fan of Super Friends.

Super Friends: 1976-1981 is the ultimate guide to the classic animated series. This comprehensive book features in-depth profiles of each character, behind-the-scenes stories from the show's creators, and stunning artwork from the show's archives.

The book is a must-have for any fan of Super Friends or DC Comics. It is a beautiful and informative tribute to a beloved classic.
