In his new novel, *Spaniel Rage*, Michael Dante Dimartino explores the dark side of human nature. The book follows the story of a young man named Peter who is driven to violence after his dog is killed. Peter is a kind and compassionate person, but the loss of his beloved pet sends him spiraling into a rage that he never knew he was capable of.

As Peter's rage grows, he begins to lash out at those around him. He alienates his friends and family, and he even turns to violence. Peter's actions are fueled by a deep sense of loss and anger, and he is determined to make those who have wronged him pay.

Spaniel Rage is a gripping and disturbing novel that explores the dark side of human nature. Dimartino does an excellent job of creating a cast of characters that are both relatable and flawed. Peter is a sympathetic character, even as he makes increasingly poor choices. The book's violence is graphic and disturbing, but it is never gratuitous. Dimartino uses

violence to explore the depths of human depravity, and he does so in a way that is both thought-provoking and disturbing.

Spaniel Rage is a must-read for fans of dark fiction and psychological thrillers. The book is a powerful and disturbing exploration of the dark side of human nature, and it will stay with you long after you finish it.

About the Author

Michael Dante Dimartino is the co-creator of the popular animated television series *Avatar: The Last Airbender* and *The Legend of Korra*. He is also the author of the novel *The Legend of Korra: Turf Wars*.

Reviews
