

# Unleash Your Creativity with Amazing Paper Folding Tricks, Puzzles, and Illusions

Immerse Yourself in the Fascinating World of Origami

**"Presto-chagol!" Learn to transform ordinary paper into real origami magic!**

Origami has a certain magic about it in transforming paper into seemingly impossible shapes. Add a healthy dose of magic tricks, puzzles and illusions, and you'll be ready to astound your friends and family with your amazing talents!

In this kit, paper-folding experts Steve and Megumi Biddle follow in the footsteps of famed magician and paper folder Harry Houdini as they confide to you the secrets of 4 types of projects:

**Amazing Tricks → Perplexing Puzzles**  
**Impossible Illusions → Mysterious Transformations**

**This kit contains:**

- A full-color, 80-page booklet containing clear instructions
- 60 colorful origami folding papers!
- A DVD with folding lessons and expert tips that show you how to perform the tricks and produce the illusions like a pro!

**STEVE BIDDLE** is an author, entertainer and origami expert. A member of many worldwide origami organizations, Steve also belongs to the most famous magical society in the world: The Magic Circle.

**MEGUMI BIDDLE** is a graphic artist, designer and illustrator with a long-standing interest in papercrafts and doll-making.
