Unveiling the Postal Exam Blueprint

The Postal Exam consists of four main sections:

1. Memory
2. Mathematics
3. Vocabulary
4. Customer Service

The Norman Hall Postal Exam Preparation Book meticulously covers each section, providing detailed explanations, practice exercises, and sample questions to familiarize you with the exam's structure and content.

Memory: Sharpening Your Recall Skills

The memory section assesses your ability to memorize and recall information. The book includes techniques for improving your short-term and long-term memory, as well as practice exercises designed to enhance your retention skills.

Example Memory Question:

Memorize the following list of items for 30 seconds:

1. Apple
2. Banana
3. Orange
4. Grape
5. Strawberry

Close your eyes and write down as many items as you can recall.

Mathematics: Mastering Postal Math

The mathematics section tests your basic math skills, including fractions, decimals, percentages, and word problems. The book provides clear explanations and step-by-step solutions to build your confidence and ensure you can tackle any math question with ease.

Example Postal Math Question:

If a package weighs 4.5 pounds and the postage rate is \$0.50 per pound, what is the total postage cost?

Vocabulary: Expanding Your Word Power

The vocabulary section assesses your knowledge of English words and their meanings. The book introduces new vocabulary words, provides definitions, and includes practice exercises to expand your word bank and strengthen your understanding of language.

Example Vocabulary Question:

Find the synonym for the word "diligent":

1. Lazy
2. Hardworking
3. Indifferent
4. Negligent

Customer Service: The Heart of the Postal Mission

The customer service section evaluates your understanding of USPS products and services, as well as your interpersonal and problem-solving

skills. The book provides real-life scenarios, role-playing exercises, and tips on how to deliver exceptional customer service.

Example Customer Service Question:

A customer calls to inquire about the status of their package. How would you respond to their query?
